

Organizational Culture

Organizational Culture

- Organizational culture consists of shared beliefs and values established by leaders (Founders) and then communicated and reinforced through various methods, ultimately shaping employee perceptions, behaviors, and understanding.
- An organization's culture defines the proper way to behave within the organization.

Workplace torture? Night shift employee made to work till 12 pm next day without break

A Reddit user's post about his exhausting night shift has sparked debate on workplace exploitation. The employee, tasked with monitoring a screen overnight, was asked to continue working until noon without rest, leaving him feeling "tortured." Despite working from home, he struggled with severe sleep deprivation and expressed frustration over having to repeat this routine for several days.

The post quickly went viral, sparking discussions on workplace toxicity

A distressing account of workplace exploitation has emerged on social media, reigniting discussions on work-life balance and labor laws in India. A Reddit user, recently shared their ordeal of working a grueling night

Female MNC employee wanted work-life balance; got fired for refusing to work overtime

A female employee at a reputed MNC was allegedly laid off after refusing to work overtime, though the official reason cited was budget cuts. A coworker shared on social media that they saw her leaving the office in tears, questioning why only one employee was affected if financial issues were the real cause. The employee was known for speaking her mind and not accepting extra work, unlike colleagues who complied silently.

How Tata Motors reinvented its employer brand to engage Gen Z talent

Employer branding has emerged as a cornerstone for businesses seeking to attract and retain top talent. However, it is not merely a facet of talent acquisition; it's an integral part of a company's overall brand strategy. It encompasses the narrative a company builds about its work environment, the experiences it offers, and the values it upholds. A strong employer brand not only attracts talent but also plays a crucial role in employee retention and engagement.

Synopsis

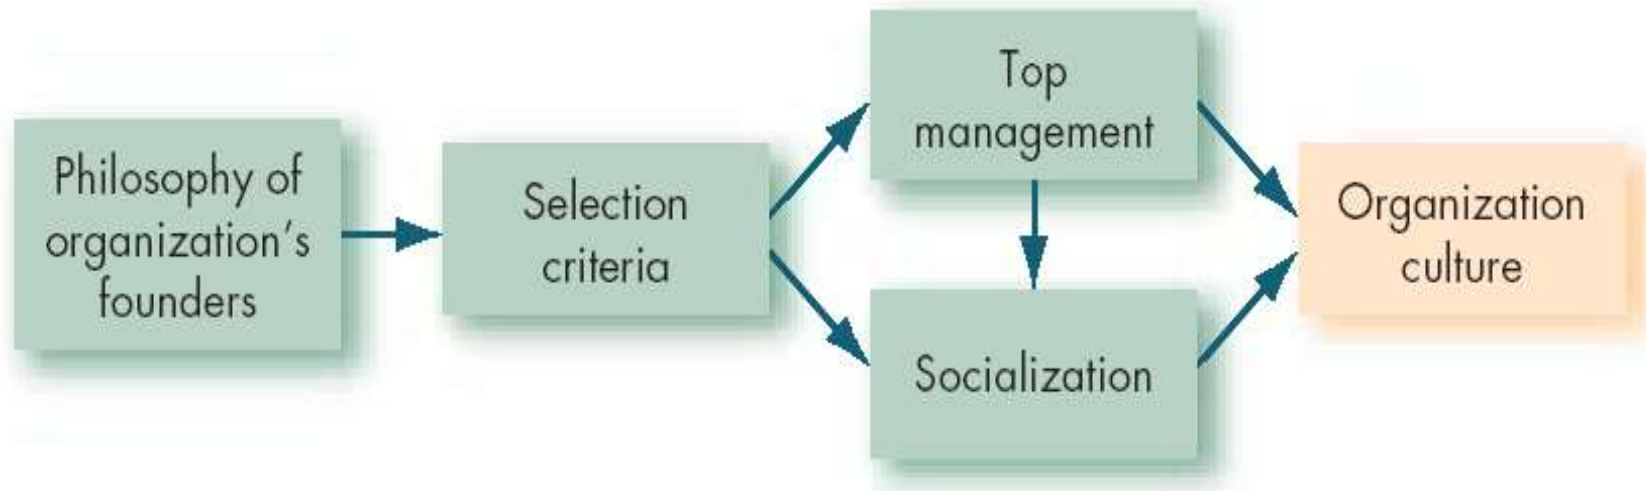

The policy, one of the first of its kind in corporate India, is aimed at improving employee wellness and productivity and applicable to about 9,500 of its 11,000 employees, group chief HR officer Niren Srivastava told ET. The new rule is extended to all employees from the level of senior managers and below.

As the debate over work hours rages on, [**Motilal Oswal Financial Services**](#), one of the largest Indian broking and financial services firms, has rolled out a

Creating and Sustaining culture

How Organization Cultures Form

1. How Culture Begins

- **Founders** hire and keep only employees who think and feel the same way they do.
- Founders indoctrinate and socialize these employees to their way of thinking and feeling.
- The founders' own behavior acts as a role model that encourages employees to identify with them and thereby internalize their beliefs, values, and assumptions.

2. Keeping Culture Alive

- **Selection**
 - Concern with how well the candidates will fit into the organization.
 - Provides information to candidates about the organization.
- **Top Management**
 - Senior executives help establish behavioral norms that are adopted by the organization.
- **Socialization**
 - The process that helps new employees adapt to the organization's culture.

Stages in the Socialization Process

Preadvival Stage

The period of learning in the socialization process that occurs before a new employee joins the organization.

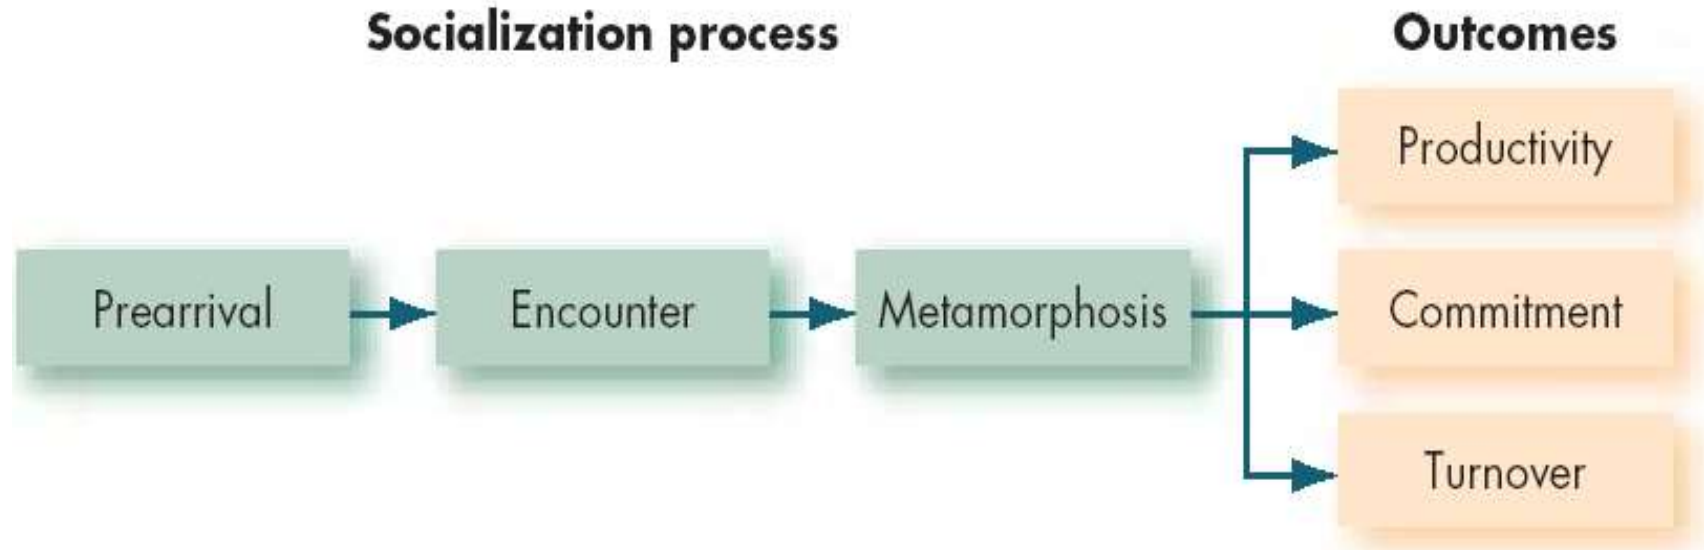

Encounter Stage

The stage in the socialization process in which a new employee sees what the organization is really like and confronts the possibility that expectations and reality may diverge.

Metamorphosis Stage

The stage in the socialization process in which a new employee changes and adjusts to the work, work group, and organization.

SOUTHWEST

Star of the Month

Deante Green

Ramp Agent Supervisor

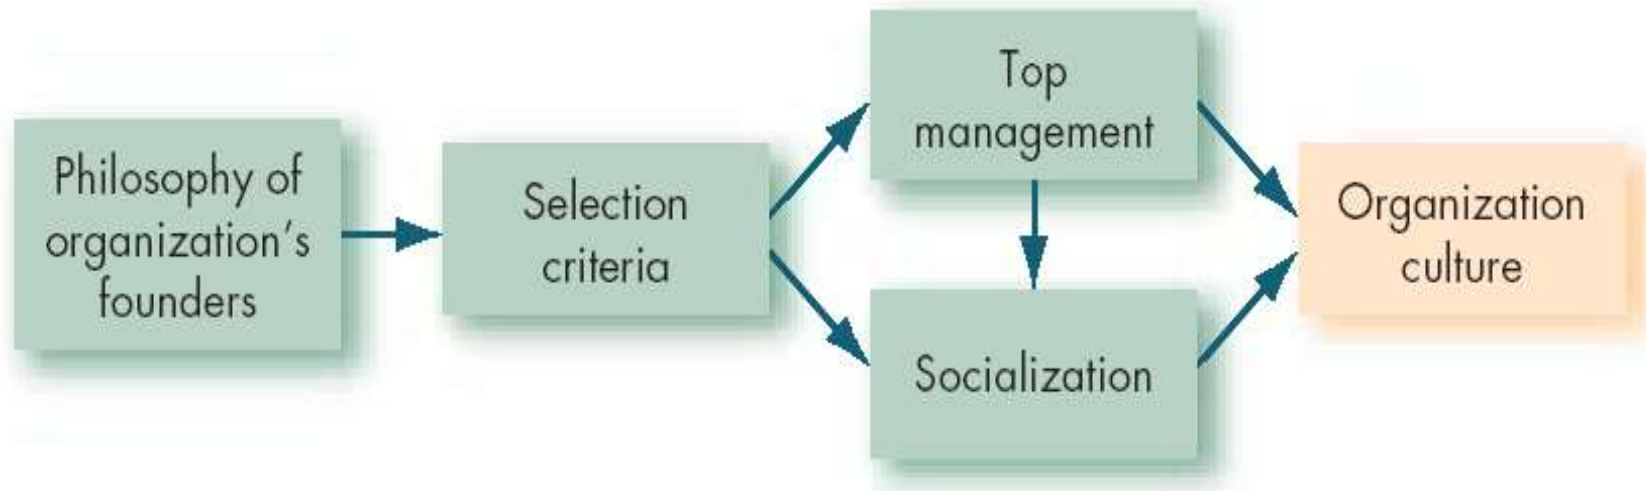

When DeAnte Green joined Southwest from AirTran Airways four years ago, he fervently adopted the Company's Culture. A beloved Leader, DeAnte says he learned how to treat people from his grandfather. Whether it's bringing in doughnuts or ensuring his Employees have the resources they need, DeAnte lives the Southwest Way. In fact, his favorite part of being an Atlanta-based Ramp Agent Supervisor is when storms roll in and his Team comes together to solve problems. On and off the clock, DeAnte feels called to serve and recently donated to his hometown of Flint, Michigan, to support the city during its water crisis. DeAnte exemplifies Southwest's rally cry: one Team, all Heart.
